Selected Couplings

Several recommended coupling selections will be given for the specifications provided. Select one for further review.

Coupling Drawing

A general assembly drawing will be supplied for the coupling selected.

Item & Description

A general description, part number and weight of each item can be found in the bill of material.

Part Number

By selecting a part number, you will be taken to the eCatalog page for that part for specifications and CAD drawings.

DBSE or OAL Selection

By clicking on the DBSE or OAL selections for the Dura-Flex® general assembly drawing, you can change the view of your drawing to show the hub positioned with the hub facing in or out.
